MISSING A REAL DATE -- YES , YOU :

Last Saturday was a red-letter date for many of you; then the big moment came when you proudly escorted your best girl to the gala prom. You had a right to feel proud, a right to be gay and happy. But think for a moment what would have happened had the girl-friend " stood you up " but a few hours before the grand march. To you it would have spelt a major tragedy; not only for that dazzling night, but for many weeks to come.

Thursday was the first of May, the beginning of Our Lady's Month. Mary your Queen was waiting for you to escort her through the beautiful days of heavenly May. And what a cad some of you, rather many of you turned out to be. Bad enough for girl to let a fellow down; but unpardonable for a real man to " stand up " his girl. Incredible were it not true that so many of you " stood up " the loveliest and best girl in the world or heaven, Mary Mother and Queen. Now, how can you get back into good grace, and prove your manhood ? That's not too difficult. From now on -- to the last day of May offer her the priceless corsage of your Masses, Communion, Benedictions, and visits to the Grotto of Lourdes.

Are you a man or a mouse ? If you're a mouse you'll scatter to the dark and hidden holes of carelessness and negligence. If you're a man, a red-blooded HE , you'll come out into the sunlight. You'll proudly escort Mary the Queen every day of this beautiful and blessed Month. We will be watching for you at Mass and the railing . Do not forget this is Mary's Month.

WHAT? WHEN? WHERE? \*\* READ ON !

WHAT ? \*\* A " Marian " service in honor of Mary, Queen of May.  
WHEN ? \*\* Immediately after dinner on each Sunday of May. WHERE ? \*\* Weather permitting , at the Grotto of Lourdes, directly south of Seifert Hall . If weather is threatening , then services will be held in the chapel.

This " Marian " service will consist of the Litany of Loretto and Memorare . Being brief, there will be plenty of time to get down to the first show. We hopefully appeal to the SENIORS to lead the way and to encourage others to be present. The members of the Sanguinist Club will be present in a body. You will not be alone.

BALLS AND CHAINS ON THE ANKLES : YES ? NO ??

Every high school and college lad should take time out to read GOING STEADY by Father Daniel Lord in the May issue of the Queen's Work. Ask for it at the library . Some passages that really fit the bill : " At the very time when they should be young and unattached and free to come and go without any strings on their hearts or balls and chains on their ankles, these " steadies " are acting like old people. " ----- " Going steady with the possibility of marriage in the misty distance is stuff and nonsense. Very few such friendships, fraught as these are with strong emotion, can hold up under the slow passing of years. They collapse of their own inertia. They spoil the years when youth should be learning the art of wide friendships and facile social contacts. For the girl they often bring disillusionment and for the boy the conviction that he has done the girl definite wrong."

## NEWS DIGEST

PRAGUE-- Karel Cardinal Kaspar, Archbishop of Prague and Primate of Bohemia; who fought Nazi efforts to weaken the Church in Bohemia after its seizure by Germany, died here Monday in his Palace. Cardinal Kaspar fearlessly denounced the Munich pact on Oct. 1, 1938. He said that he prayed "that the peace efforts prompting this terrible sacrifice would be crowned with permanent success; and should they not, I pray almighty God to forgive all who impose this injustice on the people of Czechoslovakia."

St. Louis, Mo.--Father Daniel A. Lord, S.J., observes in the May issue of the Queen's Work one of the odd consequences of war: There is a falling off in the number of eggs being sent to the United States from China. Our hens now have an opportunity to strike for shorter hours and more corn.

NEW ORLEANS, LA. A warning against the encroachment of secular standards upon Catholic education was issued by Archbishop Joseph F. Rummel of New Orleans at the 38th convention of the National Catholic Educational Association here, NCWC reports. Archbishop Rummel, while praising the setting up of educational standards by state authorities, said that often the curriculum is overloaded with trivial subjects.

The only justification for the existence of Catholic Education is the responsibility for the religious and moral formation of the child. "To reduce religious programs in favor of secular standards is to fail grievously against their primary duty," the prelate declared. To reduce the time given for the teaching of Christian doctrine "is almost equivalent to treason."
